Re: Namibia Pistol Association National Championship 2019

Dear WA1500 member Country representatives

This letter is an invitation for the WA1500 member countries to be represented at our Namibia Pistol Association National Championship 2019. It will be a great honour to have your fellow PPC / NPA / ISSF competitors to join us in Namibia.

At this competition we are going to demonstrate the positive impact of this sport. You can expect challenging competitors, a true Namibian friendly atmosphere, exciting pre-match activities and uncomplicated equipment importation arrangements.

Competition dates are as follows:

Pre-shoot at Otjiwarongo from the 18/10/2019 – 20/10/2019 (PPC/NPA/ISSF)

Namibia National Championship at Windhoek from the 22/10/2019 – 26/10/2019 (PPC/NPA/ISSF)

As proved successful before, all attendees will be provided with an information package to explain all the necessary details for example: firearm import/export, recommendations for accommodation, competition rules and regulations and much more.

Yours in sport

Michael Jaeger
Chairman
Namibian Pistol Association
